					Break
Annual Membership Fee				Begin Here...Go Anywhere!	
\$55	1 Child				
\$110	2 Children or more				

Fun and learning!

One of the objectives of our programs is FUN. Fun is an important part of the learning equation. If fun is not part of this equation, it will be replaced with fear and anxiety. So let's remember to keep the FUN part in learning.

HOH Programs

All HOH classes are based on the USAG program and run Sept. through June. They are designed to provide a non-competitive atmosphere while each student is taught progressive skills. Children will progress at their own rate with our USA Gymnastics Safety Certified Instructors. Our coaches are trained and attend clinics/seminars to further their teaching abilities. We have many years and levels of coaching experience among our fine instructors.

Class Attire

Girls wear a leotard without skirts, tumblers may wear shorts and T-shirt. Boys wear compression shirt or T-shirt and gym shorts. All children go in the gym barefoot. Hair must be pulled back and no jewelry please.

Membership Fee

The annual Membership fee is \$55 for 1st child or \$110 family fee for 2 or more children and is due at the time of enrollment. This membership fee is valid for 12 months and is due a year from the date paid.

Programs...

Little & Big Dippers/Parent Tot: (Parent participation required)

This is a 45 minute movement education class that begins with an obstacle course on the floor exercise. Incorporated into the obstacle course are activities such as climbing, rolling & jumping. With use of the floor, bars, beam and trampoline, the class is designed to build strength and coordination while encouraging parent/child interaction. (MUST BE 18 MOS BY 9/1).

New & Mini Stars Pre-school:

This 50 minute class involves movement education such as jumping, climbing, swinging & working on hand, eye coordination and balance. The trampoline is used to develop overall body awareness and coordination. This program encourages cooperative learning in a group setting and allows each child to learn at his/her own rate while having fun. (NEW STARS MUST BE 3 BY 9/1. MINI STARS MUST BE 4 BY 9/1).

Kinderstars:

This 1 hour class is more skill oriented. It is a transitional class where children are challenged with more "skills" and less "movement education." This will prepare children for our recreational program. GIRLS ONLY.

Boys & Girls Gymnastics:

Gymnastics is a wonderful sport! While building strength, agility and grace, it also builds self-confidence, discipline and perseverance. What a better way to provide your child with life lessons in a positive and fun atmosphere.

Tumbling & Cheer:

Students learn tumbling by progressions on floor, tumble-trak and trampoline. Excellent for cheerleading & dance.

Kicknastics:

Karate class with a twist! Combine martial arts education & gymnastic technique together in one exciting class.

Ninja Zone:

A fast and skill based program geared for kids with high energy. Combines military style obstacle courses, gymnastics tumbling and martial arts kicks, combos and discipline. NINJA UNIFORM REQUIRED.
